

ROAD MASTER'S REPORT

For the month of November 2018

Roadwork:

1. Relocated cross pipe on Fall Run near the Singley residence.
2. Cleaned sidewalk under railroad-bridge on old Rt. 6.
3. Put delineators at cross pipes on Hickory and Post road that we did new cross pipes on.
4. Repaired yield sign at the plaza intersection due to it being ran over.
5. Drove roads w/Insinger to get quotes on roads that were impacted by the flood Fall Run, Harmony, Glen, needed for PEMA-FEMA.
6. Plowed and cindered as needed. Multiple times.
7. Levelled off parking area at boat launch due to someone doing donuts. Did same at Township Building.

Trucks and Equipment:

1. Installed rubber cutting edges on trucks 1 and 2.
2. Installed spreaders on truck 1 and 2.
3. Took broom off of tractor and put tractor inside for the winter.
4. Washed all trucks and backhoe.
5. Torqued wheels on Trucks 1 and 2.
6. Fabricated a rear spreader flap for Truck 2.
7. Replaced rear spreader light on Truck 2.
8. Replaced hydraulic fittings on truck 2 that runs the cinder spreader.
9. Tightened stabilizer bar on truck 4.

Office and Buildings:

1. Fall Clean-up
